IQAC Office Order

Subject: Regarding Constitution of Internal Quality Assurance Cell of the institute.

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

I am pleased to inform you that for the conscious and consistent quality improvement of SJVPM's Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research Chinchwad, Pune, an IQAC has been constituted.

Therefore all the stakeholders of the IQAC are hereby requested to make it convenient to attend the meetings of the said committee and give your valuable suggestions.

The constitution, role and functions of this committee is attached herewith for your perusal.

Thanking you,

Dr. Sanjay G. Walode
